Project data

Plot	25' x 70' (1,750 sq ft) + 10' north strip (Phase 2)
Built footprint	55' x 22' = 1,210 sq ft gross (centrelines)
Room areas (sum)	1,210 sq ft incl. poomukham and semi-open wet area
Storeys	Single storey, sloped clay-tile roof on steel truss
Setbacks shown	Rear 5', front 10', south 3', north 10' (to be verified)
Bedrooms	Master suite + Bedroom 2, two home offices

Key design decisions

- Courtyard removed; skylit dining hall at plot centre keeps the Brahmasthan open and lit.
- Single storey, no internal stair; roof access by fixed ladder; water tank on stand in SW rear garden.
- House length 55 ft (5 ft rear garden, 10 ft front yard).
- Service band on south (heat buffer); bedrooms and living get north light.
- Kitchen in SE; stove on east wall; semi-open wet area with jali; separate dry store.
- Master suite: NW ensuite, dressing alcove, walk-in, Office 2 with sliding glass door.
- Office 1 off hall; Bath 2 fixtures kept away from shared wall.
- Living: TV on solid wall in south jali screen, sofa under north window, east window for morning light.
- Roof: Mangalore clay tiles on steel truss with sealed cement-fibre deck (pest-proof, no slab).
